Review A Year

We have seen the Ambridge High School's eminence in school affairs rise to new heights during the past year. Reminiscent of the days not so far gone are the outstanding achievements of our successful football and basketball teams, as well as the gay evenings spent at any one of our many social affairs. Our student governing bodies, the Student Senate and Student Court, underwent reorganization periods in which many worthwhile augmentations took place. The inaugural of a Vocational Guidance Clinic, one of the first projects of its kind to be employed in Beaver County, proved to be a huge success. The senior and junior classes' dramatic triumphs highlighted the entertaining productions presented throughout the school year. In addition to scholastic achievement, the individual activity groups have attained envied positions and goals to further our heritage of fine accomplishments.

Preparing for First Year's Home Activities

Children's Club

Dedication

We dedicate this yearbook to our principal, Dr. N. A. Smith, who has made our school the efficient, smooth-running democracy that it is. It was through his high ideals and standards that the curricular and extra-curricular activities of our school have succeeded so well.

We invite you
to become better
acquainted with our
Faculty
School Board
Administrators
Instruction
Committee

Administration
and Faculty

Our Administrators

DR. J. R. MILLER

Dr. J. R. Miller, Superintendent of the Ambridge Public Schools, received his elementary education in the public schools of Somerset County and obtained his Bachelor of Science degree from Otterbein College. By his constant quest for knowledge, Dr. Miller procured his Doctor of Philosophy degree from the University of Pittsburgh. He has, through his many years of school administrative experience, inculcated a most envied educative system in the Ambridge Public Schools.

"To promote growth in the individual, so that he may live a happy and useful life in a democratic society, is the paramount consideration of our schools."

Mr. Leaf's official title is Assistant Superintendent in Charge of Instruction. In collaboration with teachers and principals in all grades, he is responsible for course offerings and curriculum construction together with the selection of texture and visual aid material, classroom procedure and methods, testing and evaluating the results of instruction through the Ambridge Grading System and standardized forms of testing

MR. E. B. LEAF

DR. N. A. SMITH

Dr. N. A. Smith, our principal, exemplifies the spirit of friendliness which pervades the halls and classrooms of Ambridge High. Every worthwhile project receives his encouragement and support. Ever ready to hear both sides of a question, he has gained the admiration and respect of the entire student body.

Board of Education

The Board of Education works behind the scenes formulating policies, providing competent teachers, extensive courses, and modernly equipped rooms for study. The officers of this board are Dr. J. V. Diresno, President; John Graham, Vice President; Joseph W. Druziski, Secretary; and Frank Duzy, Treasurer. The other members are: Dr. Stephen B. Laskowski, V. O. Byers, and W. T. Kraft

Office Personnel

Under the direction of Miss Helen Druzisky, with the assistance of Miss Ann Zawoiski, the secretarial work of the senior high school is capably administered. Through the efforts of the office staff, the correspondence and recording work of our school has proved to be a valuable asset to the maintenance of our efficient administrative department.

The Faculty

Many divisions of English demand many teachers of the language. Sophomore English is taught by Miss Trembley, Miss Kerschner, Mrs. Trobe and Mrs. Lehman. Miss Lee and Mr. Shaffer teach the subject to the Junior class, while Miss Annauser teaches College English and English IV to Seniors. Related English is in charge of Miss Settino.

Social studies are part of nearly every student's schedule. Sophomores usually take either World History, from Mr. Horsman, or Economic Geography from Mrs. Schermerhorn, who also teaches Business Economics to Seniors. Miss Cauley and Mr. Bining teach American History, a required Junior subject. Mr. Bining is the instructor in Problems of Democracy. Miss Smith and Mrs. Lehman are also teachers of social studies.

In the realm of science, Dr. Benkert, Mr. Hlista, and Mr. Rice enlighten students of Biology. Mr. Serene teaches both Chemistry and Physics, Junior and Senior subjects, respectively, while Miss Grant teaches Senior Science. Related Science, a vocational subject, is in the hands of Mr. Taggart.

well informed and capable,

Three teachers instruct the student body of Ambridge High in mathematics. Miss Forcey teaches Plane and Solid Geometry and Trigonometry. Mr. Newton is the teacher of Algebra, while Mr. McCaughtry is the instructor in Related Mathematics.

In the field of foreign languages, Miss Adams teaches the first and second years of both French and Spanish. Miss Duffy conducts classes in Latin I and II.

Miss Hughes and Miss Spahr have charge of girls' hygiene, and three men of science, Dr. Benkert, Mr. Rice, and Mr. Hlista teach hygiene to the boys.

The boys' physical education program is under the direction of Mr. Rubenstein. Miss Spahr and Miss Hughes conduct the girls' program along the same lines.

Mr. Taggart, as Vocational Director, heads the Vocational Department of Ambridge High. In the wood shop, Mr. Wolf teaches carpentry, and in the machine shop, Mr. Arnett is the teacher. Mr. Axtell heads the electric shop, and Mr. Todd is in charge of auto mechanics. Mr. Rothermel's industrial arts shop is general vocational work. In another field of enterprise Mr. Cook teaches Mechanical Drawing, and Mr. Keusch teaches Vocational Drafting.

generous with their time,

liberal with their help.

The Home Economics Department is directed by Miss Feick. She is assisted by Miss Robb and Miss Shaul in such domestic arts as cooking and sewing.

In the Commercial Department we find Miss Kozak, who teaches Secretarial Practice, Typing, and Shorthand to Seniors. Miss Cease, Miss Kerschner, and Mrs. Horsman also teach subjects such as these. Mr. Cook is another important instructor in this department. Mr. McWorter has charge of Bookkeeping.

Mrs. Trobe has charge of the entire Art Department. The art program includes crafts, painting, and art appreciation.

In her position as librarian, Miss Grime conducts a course in Library Science to train her assistants for further library work.

All vocal music is under the direction of Miss Parson. There are music groups of boys and girls alone as well as mixed classes. Mr. McCormick, director of the Band and Orchestra, is head of instrumental music in the school.

The Senior Class

Seniors! The last rung on the high school ladder of success! As seniors we led the receiving line at the Sophomore Reception and as seniors we romped and cavorted with Lil' Abner and Daisy Mae at the Sadie Hawkins Day Dance. We joined with the Juniors and Sophomores to welcome back our old "grads" at the Christmas Alumni Dance. During this last glorious year our seniors participated in many activities and held many important offices. Betty Jane Steele, Gertrude Mackintosh, Delmar Mineard, and Bill Byers were included in the expedition to Midwestern Chorus. The Student Court continued with John Athens at its helm. Frances Rosenberger and Rudy Hlista were the chosen captains of the Girls' and Boys' Patrol. Student Senate came to order at the insistence of the gavel held by Bil. Arnett's able hand. War Savings Stamps were sold by Nick Athens and his helpers in 104. The proposed Flower Fund was put into working order by John Athens and the Class Song was prepared under the direction of Julia Seneta. The juniors entertained us at the Junior-Senior Prom.

And so the three years ended! Now we go to meet the future, whatever it may be, with the firm conviction that right, not might, will conquer.

The Senior Class, even alert and ambitious,

"42 Class Song"

Class of forty-two, we pledge this song to you,
That you may always hold it safely in your memory,
The home work that we do,
The fun and parties, too,
Are pleasant times we had in Ambridge Senior High.

So we must go;
The torch of life is bright,
It beckons us to come and guard its light;
Our class adviser, too
We give our thanks to you,
For helping us to study and to make our stay a joy.

And to our teachers true,
We bid our fond adieu;
And so we sadly leave to face our future years.

Marian Izak
Julia Seneta

Stanley Vladuchek
Betty Jane Steele

Twila Willshier

The Junior Class

Under the guidance of their adviser, Miss Ethel Althaus, the members of the Class of '43 entered the senior high school and immediately showed outstanding versatility. They selected Earl Mack, Joseph Taylor, and Louis Carpenter as president, vice president, and secretary of their class, respectively. Not to be outshone by the upperclassmen they inaugurated the Sophomore Officers' Club to serve as the class administrative body. The sophomores were extended a hearty welcome by the seniors and juniors at the annual Sophomore Reception. The "Soph's" first social function of the year, "The Sophomore Downbeat," proved to be a huge success. The "greenies" had representatives in every important activity of the school, being especially active in debate, football, and basketball. At the climax of the sophomore year, they elected their class officers for the ensuing school term.

The junior year proved to be a most successful one for the Class of '43. The football squad was bolstered in its efforts by the many junior gridsters. Harry Uliniski and Chester L. Lenczowski were chosen co-captains for the coming year's gridiron team. The varsity debate squad was composed of five juniors: Frank Klobner, Charles Grosdeck, Earl Mallick, William Hnuth, and Harry Gahagan. The juniors presented their first dramatic production, "The Whole Town's Talking," in January, 1942. Their largest and most successful social function of the year was the annual Junior-Senior Prom.

The juniors ended their second year in senior high, aspiring to become a great senior class.

The Sophomore Class

In September, the sophomore class was cordially welcomed by the juniors and seniors at the Sophomore Reception

The sophomore class this year is one of constant initiative. Speed and efficiency has been the keynote of this year's work. School had been in session only a few weeks when Robert Gray, Dorothy Izak, and Charles Herter were elected President, Vice President, and Secretary-Treasurer respectively.

The "Sophs" took an active part in the legislative and judicial branches of our Student Senate. Later two members of this class, Jack Taggart and Ray McNees, held the offices of Sophomore Prosecuting Attorney and Sophomore Defense Attorney respectively, in our newly organized Student Court

The football and basketball teams were augmented by the services of many reliable sophomores.

Under the guidance of the class adviser, Mrs. Cook, this group has steadily progressed and promises to be one of the most outstanding classes that Ambridge High has had

Sophomores

Row 1—Cory, Lee, Vick, Paul, Duane, James, Dewey, Amy, Lisa, Amy, Sally, Linda, Irene, and Linda, Linda, Catherine, Darnell.

Row 2—Ann, Linda, Helen, Eric, Dennis, Thomas, Frank, David, John, and Linda.

Row 3—Mark, Frank, Charles, James, Roger, James, Steven, James, Charles, Robert, George, and Alan.

Row 4—Sue, Susan, Ann, Eric, Victor, Gary, Mark, James, George, Catherine, Robert, and Linda.

Row 5—K. L., D. B., Norman, George, George, George, George, Robert, George, and Frank.

Row 6—Dennis, Robert, Gary, Robert, George, George, George, George, and George.

We prepare for our future

Patrol

The Ambridge Senior High School Safety Patrol is on duty at all times. Inside and outside, they are on guard to help make our school safe. Dr. Joseph M. Bensert is the sponsor of this activity. Assisting him with the outside duties are Rudy Hlsta, captain, and his sergeants, Richard Powell, Edward Meliott, and William Tartar. The inside patrol is in charge of Frances Rosenberger, captain, and her lieutenants, Helen Bysura, Ruth Blosser, and Gretchen Warner.

Publicity

The Publicity Committee operates efficiently under the direction of Mr. David Snoder. His assistants are John Plesh, general chairman, and Mary Marmack, bulletin board supervisor.

The chief duties of this committee are to draw posters for all school events, to keep Ambridge Senior High School students informed of all happenings by blackboard announcements and the bulletin board, to contact the newspapers in regards to coming affairs, and to distribute handbills throughout the town.

Debating Team

Mr. Shaffer's debate squad, consisting of Juniors and Sophomores, worked on the following question: Resolved: Every able bodied citizen in the United States should be required to receive one year of full time military training, before attaining the present draft age.

The team consisted of Frank Kloiber and Charles Grosdeck, negative, and Earl Mallick, Harry Gahagen, and William Hnath, affirmative.

The first debate of the year was at West View. In January they attended the Student Congress at California, Pennsylvania, sponsored by the National Forensic League.

Student Court

The Student Court of Ambridge Senior High, under the student leadership of Bernard Hricek, completed its organization during this year. It will handle such cases as skipping class, cheating, fighting, stealing, ruining school property, smoking, loitering in junior high school without a valid excuse, violating the activity plan, perjury, patrol violations, and all cases which the principal, teachers, or students wish to present.

The objectives of this organization are to enable the students to familiarize themselves with court procedures and to foster fair play among the students of the high school.

Because Mr. Robb was drafted, Mr. Bining replaced him as the court sponsor. The court may become a permanent organization in our school.

Yearbook

Today the fun and study of the '41-'42 school year is a vivid realization, but as the years roll away our school days will become but faded memories. Anticipating this, we have provided in this book reflections of the parade that has been this school year. We hope that in later years by reviewing this book you may re-live incidents of your school days, both tragic and triumphant.

National Honor Society

To become a member of the National Honor Society is the crowning glory which every aspiring senior seeks to attain. Membership in the society is the fruit of doing just a little more than is expected of you during your high school life. This is the highest recognition given to students who have been outstanding all through high school. Scholarship, character, leadership, and service—the principles of the society—are the yardsticks used to measure each student's quality.

Only those students who are in the upper third of the class, according to scholastic ranking, are eligible for membership in the National Honor Society. The ten with the highest rankings automatically become members. A list of those in the upper third is given to each teacher who ranks each as either indispensable, recommended, not known or disapproved. The results are tallied and the ones with the best ratings become members after the faculty as a whole has approved of them. Mr. Leonard Horsman, this year's sponsor, supervised the selecting.

The forty-two students included in the roll of the National Honor Society of 1942 are: Annabelle Amsler, Dorcas Anteneir, William Arnett, John Athens, Nick Athens, Sarah Barkley, Richard Barnhart, David Barr, Ray Boyle, Margaret Bycura, Dorothy Cherich, Peter Compagnoni, Charles Cook, Emanuel Crasanakis, Beatrice Dine, Valeria De Muccio, Anna Demay, Sam Germusa, Bernard Hrico, Edward Hrico, Miron Izak, Harry Knafelc, Anthony Kroll, Betty Levy, Irene Martin, Joanne Mellett, Howard Mermelstein, Veronica Nicklewicz, Rita Pipadens, Paul Pawlack, Dorothy Rengowski, Frances Rosenberger, Hildi Scarpone, Julia Seneta, Jeanne Shippam, Edward Supe, Steve Tappash, Thomas Tedesco, Florence Trimble, Elizabeth Vandembord, Stanley Vladuchek, Gretchen Warner, and Iwla Willshier.

The National Honor Society should spur the underclassmen on to do their best at all times. These students have proven their worth and it is up to the future classes to reach the level gained by this year's class and to surpass it in the future.

Student Senate

The Student Senate is the legislative branch of the student government of Ambridge High School. Its purpose is to keep contact between the students and the executives of the school, thereby giving each member of the student body representation in the government through his homeroom and class presidents.

Bill Arnett was elected president for the school year of 1941-1942. The other officers of the Senate were Anthony Krol, vice president, Beatrice Dae, secretary, and George Pavlakovich, recorder.

This year the Student Court began its work largely through the work of the Senate and Bernard Hrico. Another Senator, Charles Grosdeck, undertook the task of revising the activities plan. This plan was designed to give opportunity for participation in activities to more students than in previous years. Another activity of the Senate was to assign to certain Senators the chairmanship of various committees. After this action, all nominees for membership in the committees were voted upon by the entire Senate.

In March many Senators attended a Student Council Convention held at South High School in Pittsburgh. There they spoke with representatives of the student government of other schools in Western Pennsylvania, exchanging plans with them about such organizations as the Senate of A. H. S.

Cooperating with the Yearbook, the Senate participated in the Senate Faculty Day—a basketball game which has now become one of the annual observances in the school.

Another highlight of the year is the Activity Party, carried out entirely by members of the Student Senate.

Our Senate is respected by all as a really worthwhile activity of the school, giving students a taste of self government before they assume the greater task of governing our nation.

Band

The Ambridge High School band is composed of fifty-five musicians, a drum major, and four majorettes. For the first time in the history of this activity the band has selected officers. They are Stanley Vladuchek, president, and his assistants, Fred Veronese, Paul Vochko, and Robert Gray.

Mr. McCormick is the director and supervisor of the band. In the fall the band practices marching in preparation for the football season.

The band sponsored the Rubinoff concert, and the proceeds helped purchase the uniforms for the drum major and majorettes. When the Wycoff Drawn Steel Company was presented the 'Navy E' the band was asked to play. The program was broadcasted and the band played several selections.

Each year Ambridge sends a group of talented musicians to Midwestern Band Festival. This year it was held at Kettanaug and Marion Izak. Elizabeth Vaandenbord, Fred Veronese, Vincent Psano, and William Hnath represented the band.

Orchestra

The Orchestra, under the direction of Mr. McCormick, meets twice a week for practice. Composed of thirty members, the orchestra adds prestige and color to our school's dramatic productions, baccalaureate and commencement exercises.

while gaining musical prominence

through instrumental and vocal attainments.

Refreshment Committee

The Football Refreshment Committee worked diligently at our home games with Rochester, Turtle Creek, Beaver Falls, and New Brighton.

Mr. Shaffer, sponsor of the committee, had all girls on his committee this year, two of them, Ruth Graham and Anne Berrik, have served three consecutive years.

Madrigal Club

The Madrigal Club, under the direction of Miss Ruth Parsons, is composed of forty-four of the best vocal students who are taking chorus. They practice every Monday for special programs. They sang twice at the Presbyterian Church in Ambridge and once at the Lutheran Church in Baden for the Baden Woman's Club. During Education Week the group sang "The Ballad for America." A selected girls group sang for the Thanksgiving program "Yuletide at King Arthur's Round Table" was presented for the Christmas program and a selected group sang Christmas carols in the halls of the Junior and Senior High School. At the Teachers' Credit Union Dinner in January several selections were sung. Sixteen members went to Midwestern Chorus at Knox, Pa. They were Patricia Heerling, Gertrude Mackintosh, Betty Jane Steele, William Byers, Raymond Dailey, Frank Klopper, George Pavlovich, Robert Rosensteel, William Tarter, Louis Carpenter, Ernest Giondi, William Kerin, Harry Kantz, Delmar Mineard, James Rea, and Rudolph Zody. Six of those who went to Knox placed: Betty Jane Steele, Delmar Mineard, and Frank Klopper placed second, Bill Kerin placed third and Gertrude Mackintosh and Louis Carpenter placed fourth. The three selected to go to State Chorus at Coatesville were Patricia Heerling, Delmar Mineard, and Frank Klopper. The officers of Madrigal Club are: president, Louis Carpenter, vice president, Frances Rosenberger, secretary-treasurer, Gertrude Mackintosh, Librarian, Frank Klopper, Betty Jane Steele is the accompanist and Vivian Cassidy her assistant. The highlight of the musical year was the annual Spring Concert. Their work culminated at Baccalaureate and Commencement exercises.

Assembly Committee

The Assembly Committee selects the programs which are presented to the students throughout the school year. Fun as well as education is considered in their selections and, as a result, a well-rounded schedule is obtained.

Finance Committee

Eighteen members under the direction of Mr. Julian McWhorter faithfully attended to their assigned positions during the last year. They sold and collected tickets at all the football and basketball games. They also sold tickets in the halls of the school for special programs which were presented in the auditorium such as matinees and special evening performances. The co-chairmen of this committee are Margaret Bysara and Richard Powell.

we attend school functions,

and enjoy others at work and play.

Senior Class Play

On May 1 at 8 P. M., the curtain rose on the three-act comedy, "Ever Since I've". Supported by a stellar cast, and produced by dramatic coach Miss Gertrude Lee, the Senior Class presentation was enthusiastically received by a capacity audience. Working behind the scenes were the following committees and sponsors: Tickets, Miss Forcey, Publicity, Mr. Snyder, Property, Miss Cauley Usher, Mr. McWhorter, Programs, Miss Cease, Costumes, Miss Ross, and Music, Mr. McCormick. The plot revolved about Johnny (Raymond Bayler) Clover, an aspiring newspaper editor and his high school journal, "The Penguin". Assisting him in his work were his best friend, Spud (Gus Bibilis), and an unwanted helper, Susan (Joanne Mellott) who, through the assistance of Martha (Mary Marmack) Willard, had secured a position on the staff. There was conflict between Susan and Johnny due to their differing journalistic ideas. In the midst of Johnny's trials and tribulations, Lucybelle (Gretchen Warner) Lee, a southern charmer enrolled in the school and promptly attracted the male population. Among her admirers were Johnny, Spud, Preston (Steve Skapik) Hughes, the football captain, and members of the team (Senior Varsity football players). Johnny and Spud plan to take Lucybelle to the prom, leaving Susan without an escort. Johnny's parents were typical American folks. Mrs. Clover (Hilda Scarpone) proved to be an understanding mother, although Mr. Clover (David Barr) was slightly resent-minded. In obtaining "ads" through the barter system, Susan and her friend Betsy (Sarah Barkley) secured a pin ball machine and a typewriter. Too late they discovered the typewriter to be a carrier of germs. Johnny and Spud were confined to their homes with the measles, and the first issue of the Penguin was edited by Susan and Betsy. Misconstrued items in the personal column aroused the anger of the subscribers. Mr. Quinn (Howard Mermeister), the high school principal, ended the confusion over an article reporting his marriage to Martha Willard by welcoming his timidity and proposing to her. The pin ball machine brought near disaster when it was installed in a restaurant and proved to be crooked. The problem was solved when the girls' old friend, a gruff but kind hearted policeman (James Hopkins), overlooked the matter. The boys, having discovered how insincere and cunning Lucybelle really was, decided to take Susan to the dance. When Lucybelle flattered at at the last moment, Susan big heartedly allowed her to tag along. Thus the curtain fell on one of the most entertaining plays ever presented in Ambridge High School.

Kozakettes Club

The Kozakettes Club, which consists of all the secretarial practice students, chose the following as officers: Veronica Neckiewicz, president, Peter Grammaria, vice president, Dorothy Rengowski, secretary, and John Hertish, treasurer. Miss Kozak is the club sponsor.

The Kozakettes have been quite active this year. They held a skating party at Carnot on December 15, a little Christmas grab bag party, a Valentine party on February 11, and a banquet near the end of the school year.

The future secretaries bowl every other Wednesday. Executives, last year's club members, Secretaries, Clerks and Bookkeeper are the names of the four bowling teams that have been organized. At the end of the bowling season the club had a bowling party.

Usher Committee

The Usher Committee is divided into two groups, one of which is sponsored by Mr. Snyder and the other by Mr. McWhorter.

Mr. Snyder's Usher Committee worked only at basketball games. The members included in this group were Dorothea Hryniewich, Hilda Scarpone, Anne Knopick, Naomi Austin, Phyllis Hulet, Julia Seneta, Margaret Dale, Betty Rze and Beatrice Dale.

Mr. McWhorter's committee, with Beatrice Dale as chairman, ushered at performances such as, Birch, the Magician, the Christmas Pageant, Russett's concert the Junior Class play, the Senior Class play, and Commencement.

We learn to make

use of our leisure by

International Club

The International Society, a new organization, has within a year become one of the outstanding clubs in Ambridge High. It is composed of forty-five French and Spanish students selected by the sponsor, Miss Adams. The purpose of the Society is to further a better understanding of the life and customs of Spanish and French people.

At their first meeting, members elected John Athens as president. The other officers chosen were Charles Grosdeck, Nick Athens, and Hilda Scarpone. A Constitution was formulated by a committee headed by Bernard Hrico. Colors and a motto were chosen by a direct vote of the club members.

Several times guest speakers visited the meet-

ings, lecturing on such subjects as Mexico and our own Spanish Southwest. The Society attended a meeting of a large Latin-American club in Pittsburgh as a field trip.

During the Christmas season the second year Spanish class sponsored the Pinata, a Spanish Yuletide celebration. In February the senior French students presented a musical program highlighted by a debate on the subject of French composers. Debaters were Charles Cook, Valeria Di Maccio, and Evelyn Hartstein; Richard Barnhart was master of ceremonies. A carnival, influenced by the New Orleans Mardi Gras and supervised by members of the advanced French class, was the club's final celebration of the year.

Girl Reserves

The Girl Reserves of our school are affiliated with the Western Pennsylvania and Ohio District in Springfield. Our chapter has a membership of sixty-five girls and it meets every Tuesday during the club period. The officers' duties have been performed by Marilou Thomas, president; Helen Bysura, vice president; Vera Wess, secretary; and Margaret Bycura, treasurer.

The club has been helping others this year

They gave a Christmas party for the underprivileged children, and they were instrumental in starting a Junior Red Cross First Aid Class for girls of the high school. The pledge of the Girl Reserves is "I will do my best to honor God, my country, and my community, to help other girls and to be in all ways a loyal, true member of the Girl Reserves." Thus we can see why the Girl Reserves is an active group in the school.

studying international customs,

Chess Team

The newly organized chess team, sponsored by Mr. Cook, took the coveted first place honors of Section 2 in the Western Pennsylvania Chess League. This was a signal honor, for the Ambridge High School chess team had never competed in the league games before this year. The team, under the captainship of Charles Cook, consisted of Peter Nadzak, George Hoover, John Wood, and Tony Wroblewski.

The Results of the League Games Are:

November 20	Ambridge	2	Sewickley	3
December 4	Ambridge	3	Perry	2
December 11	Ambridge	5	West View	0
January 8	Ambridge	1½	Sewickley	3
January 15	Ambridge	2	Perry	3
January 22	Ambridge	3	West View	2

Final Standing

Ambridge	16½
Sewickley	16
Perry	15½
West View	9½

Historical Society

Under the sponsorship of Miss Avis Cauley, the Historical Society has proved to be one of the most outstanding clubs of our high school. The club roster consists of forty-five active members in addition to three honorary members. Under the helm of President Richard Hood, the activities and attainments of the club have been numerous. The major projects sponsored by the society this year were the annual dinner, the field trip to Fort Necessity, the extensive field trip held during the Easter holidays, and the actual assistance in the Logstown Restoration. The banquet scheduled for April 23 completed the Society's social year.

Working in conjunction with President Hood were Vice President Raymond Boyle, Recording Secretary Jeanne Shippam, Corresponding Secretary Gretchen Warner, Treasurer Irene Martin, Chaplain Elisabeth Vandembord, and Sergeant-at-Arms William Arnett.

The local chapter is a member of the Western Pennsylvania Historical Society.

Alma Mater

Hail! Alma Mater,
Mother Great and true.
Hail! Ambridge High School,
We sing praise to you
When 'er our heroes strive and banners fly
To Ambridge High, we will pledge our loyalty
Throughout all eternity

Garnet and gray,
The banner that we love.
True to your colors
We shall ever be
Strong, firm, united in conflict are we
In Ambridge High, as we march in bold array
'Neath the garnet and the gray.

Football

The story of the Ambridge gridiron season of 1941-42 is one of the most impressive and long to be remembered in the annals of Ambridge High School football.

With Monaca as the first victim on the roster of the Garnet and Gray, the thirteen year old tradition of an Ambridge eleven always emerging victorious from opening game remained unblemished. With Captain John Lazorski and tall, rangy Harry Ulinski playing an excellent defensive game, Victor Frangione aided offensively by scoring in the final quarter to give Ambridge a 6-0 victory.

In the second game of the season, the Garneteers had to be content with a 6-6 moral victory as they completely outplayed their highly touted rivals from Donora. The lone Ambridge touchdown was made by Captain Lazorski as he raced thirty yards to cross the goal line after intercepting a Donora aerial.

The Rubenstein men received the season's first setback as they bowed to an experienced eleven from Turtle Creek. The ball handlers from Turtle Creek smashed through the Ambridge wall continually, as they scored four times and converted twice to win by a 26-0 score.

In the first county contest of the season our boys met a fast New Brighton eleven. Although the Crimson and Gold scored early in the game on a safety, the Garneteer's surging power came back in the second canto as Kosinski plunged over from the one yard stripe, and the dependable toe of 'Chas' Laniewski making the extra point. The second Bridget marker came in the final quarter as tackle Mike Smolnary of Ambridge trapped a Brighton back behind his own goal line. Score 9-2.

A vastly improved Garneteer eleven came out to face their next adversary. Displaying some of the classiest running of the season, a new star was found in small 'Catch' Bombiani. With a fast charging Ambridge line holding a Beaver Falls team scoreless, Bombiani and Laniewski rolled up a marker apiece and watched both conversions split the up-rights for a 14-0 victory.

Facing a powerful undefeated Aliquippa eleven, the Ambridge gridders reached the season's peak of perfection as they succeeded in downing their tra-

through organized sports.

We participate in gymnastics,

ditional rivals from across the river by the decisive score of 21-0. The Bridgers gave ample evidence of their superiority over the Red and Black as they scored in the opening minutes of the game with Kosinski carrying the ball after a thirty five yard sustained drive. Laniewski's try for the extra point was good. An intricate new backfield shift again caught the Quippians unawares as Bombiani sneaked through on a reverse from the twelve yard stripe. Once more Laniewski split the up-rights for the extra point. Cementing their lead in the final quarter the Bridgers drove sixty yards to score again with Laniewski making both the touchdown and the extra point.

Then came the costly one point defeat which eliminated the Ambridge gridders from the county title race as the Bridgers lost to a flashy Rochester eleven by a 7-6 score. Ambridge scored but the snapper, oval failed to clear the crossbars for the extra point. Canela, sensational new Rochester back, came smashing through in the final quarter to tally for the Rams, and Horzman made the all important extra point as the Rochester eleven led 7-6. **Ambridge threatened once more, however, as** Laniewski, with seconds left to play, dropped back to the twenty six yard line for a place kick. Over eight thousand fans watched the referee nallity this hotly debated field goal and a Rochester eleven had triumphed over Ambridge for the first time in more than ten years.

Rebounding from their one point defeat, Ambridge came roaring back to upset Midland in the closing game of the season by the one sided score of 53-0. Completely dominating the field, the Bridgers did not find it necessary to kick once as Laniewski, Bombiana, Krancevac, Locke, and Lazorski scored a host of touchdowns while they kept the Leopardmen from moving the oval farther than the Garneteers' **forty-five yard stripe.**

Faced with the difficult task of developing the smallest and most inexperienced squad ever to respond to spring training, Coach Rubenstein and his aides, Mr. Snyder, Mr. Filista, Mr. Rowley, and Mr. Karakitsas, succeeded in hurling one of the most powerful and most feared elevens ever to don the Garnet and Gray uniforms.

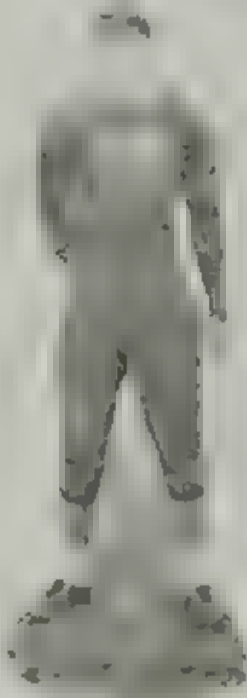

Although inexperienced at the beginning of the year, the Ambridge gridders of 1941-42 have succeeded in compiling an enviable record which shall go down alongside the greatest in the annals of Ambridge High School football.

Especially worthy of note were Seniors Bires, Locke, Cada, Lazorski (captain), Bombiana, and Shintowsky in the annual East West encounter. Finally, our heartiest congratulations for a successful season to Captain John Lazorski and Seniors Shintowsky, Santry, Supe, Cummings, Kostas, Bires, Bombiani, Cada, Locke, and Smolnary, all of whom have played their last game for the honor and glory of Ambridge Senior High School.

interscholastic sports,

Reserve Football

Coached by Assistant Coach Snyder, the Ambridge reserve team was one of the best in many seasons. Better than their record shows, the reserves played a hard brand of football all fall with the express purpose of giving each of the reserves a chance to participate in actual play and gain experience. The secondaries showed plenty of spirit and drive although hampered by a small squad at the beginning of the season.

The inexperienced Ambridge secondaries dropped their first game to Sewickley but gaining experience as the season wore on, they succeeded in turning the grid iron tables later to defeat Sewickley in a return game, and also succeeded in twice defeating a strong Bellevue eleven. In the final tilt of the season, the Bridgers played hard luck football as they lost to the Rochester secondaries on a tumble in the last thirty seconds of play. A few of the boys who stood out this year and will probably see varsity action next year are Ringer, Coleman, McClure, Wolt, Welling, Stricko, Kurch, and Jula on the line and Savie, Lojeck, and Boneski in the back field.

Cheerleaders

The varsity cheerleading squad is selected each year from the cheerleaders' club. The cheerleading club period is spent in making new yells, streamlining motions, planning for pep meetings, and football rallies. Not a pep program or new yell is ever brought before the student body without first having been rehearsed and practiced over and over again.

Each member of the varsity squad must have a grade average of C or better, be in good health, possess a sense of cooperation, and have lots of pep and enthusiasm. Each must develop a sense of responsibility by taking charge of pep rallies and teaching club members all the cheers.

A letter is awarded to each member of the varsity team provided he has had one year as an active member on the varsity squad.

The squad this year consists of Anne Janicky, captain, Evelyn Shane (Seniors), Martha Larson, Peggy Wessley, Evelyn Chinchilla, Bill Gulish, Marie Sotyrrou (Juniors), and Clarence Welsh (Sophomore), and is sponsored by Mrs. Cook.

In the picture shown on this page the two new cheerleaders, Clarence Welsh and Marie Sotyrrou, are absent since they assumed their jobs on the varsity squad with the beginning of the basketball season.

and take part in intramurals.

Basketball

With but a single regular, Harry Ulinski, having put in his appearance for basketball practice, the 1941-42 squad faced its first opponent in Monaca and succeeded in winning by a score of 32-28.

Turtle Creek was the next victim and as forward Tom Osso rolled up a high total of fourteen points the rest of the Ambridge quintet backed him to the extent of a wide margin victory, 33-11.

Meeting their first reverse of the season, the Bridgers went down in defeat before Monaca in a pre-season game, as they trailed by three points, 28-31. Junior Eddie Shemelya led the Ambridge court men as he rolled up twelve points from his right guard position.

Dropping their second consecutive game, the Ambridge boys bowed to a strong Erie Academy five by a 33-25 count. Six-foot-four Captain Harry Ulinski led, scoring eight of his ten markers in the second half. Doing an about face, the Bridgers returned the following week to hand the Erie Academy five a two point set back, winning 35-33. On its final pre season game, Ambridge had a field day as it rolled up a 52-24 win over an outclassed Stowe team.

The first league tilt found New Brighton coming to the local court. The Bridgers, fighting all the way, managed to eke out a 31-28 victory over the scrappy Brighton five.

Sparked again by Osso's thirteen points and the tight defensive maneuvering of Jewski and Modrovich, the Bridger five steam rolled to a 26-22 win over Ellwood City.

New Castle found Ambridge a pleasant host as, led by their high-scoring forward, Lee, they took home a 31-28 decision.

With Spinosi and Laniewski doing yeoman relief service, the locals came roaring back to administer a 32-26 drubbing to Beaver Falls.

The Ambridge ball-handlers were "up" as they met their traditional rivals from across the river, i.e. Aliquippa. In the most exciting game of the season, Ambridge cut the cords in the last fifty seconds of play to hand the Quips a 32-31 setback.

In a non-league Infantile Paralysis charity game, the Bridgers were themselves the victims of a one-point reverse, losing to Avonworth, 35-34.

Going into the second half of the W. P. I. A. L. Section III race, Ambridge dropped a 43-36 decision to New Brighton as the Bridgers' defense failed to click against high scoring, little Lou Peluso, Brighton forward.

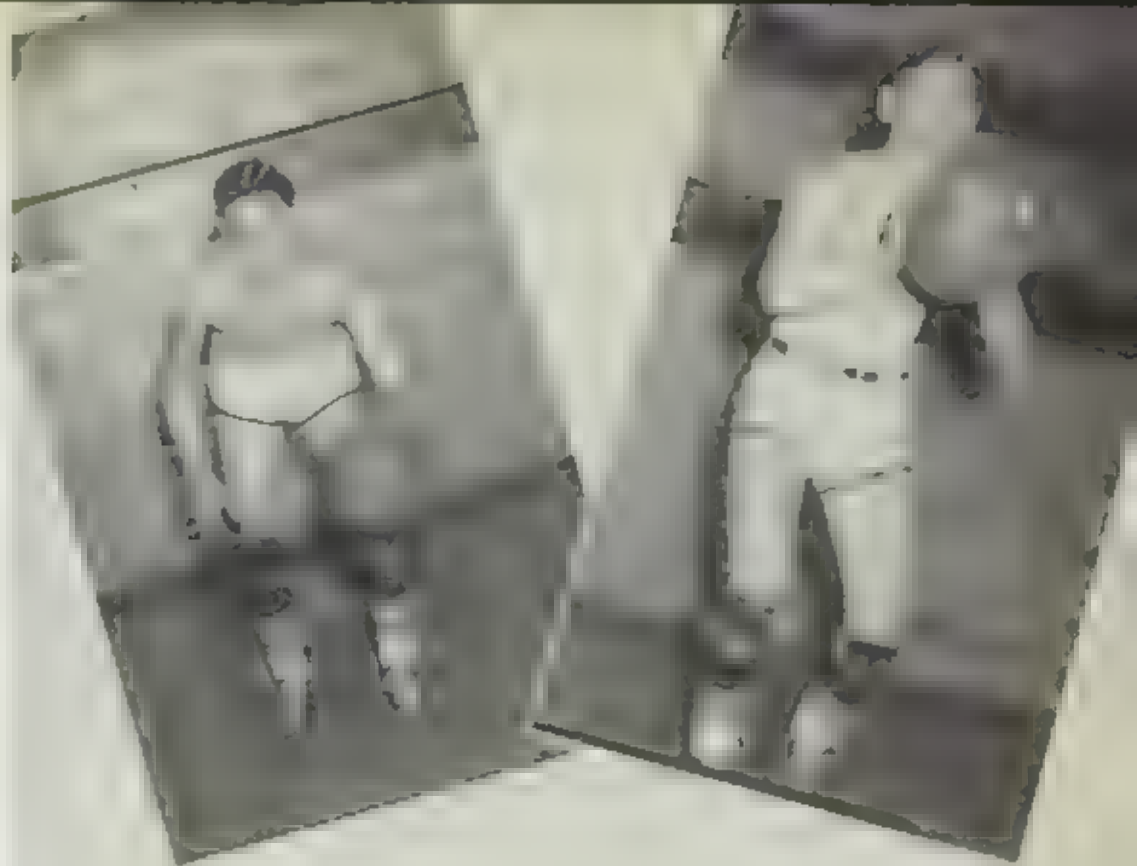

Again eliminating Ellwood City, the Ambridge courtsters ran up a two basket lead to win 29-25.

Although Ambridge showed excellent form as they met their jinx team, New Castle, for a crucial battle to determine the Section III lead, the Bridgers were carrying the short end of the 37-34 score when the final whistle blew. Ambridge scoring power, led by Laniewski and Ulinski, with twelve and eight points respectively, was greatly augmented as the local quintet rang up their best foul-shooting record of the season, making sixteen out of a possible twenty.

Eliminated from the W. P. I. A. L. championship, the Bridge-men nevertheless determined to take the county championship as they trounced Beaver Falls 32-27. Shemelva led the scoring with nine markers.

In the final game of the 1941-42 season the Bridgers again came through to decision Aliquippa by a score of 39-29. No less than five players were waved to the showers via the four-foul route during the course of the hectic battle. Sewing up the Beaver County championship, the locals were paced by Osso and Modrovich with fifteen and eight points respectively. The Aliquippa fracas was the last occasion upon which Senior "Fiji" Fijewski donned the garnet and gray for Ambridge High.

qualities

of good sportsmanship,

Basketball Reserves

The Ambridge reserves, coached by Mr. Hlista, played the 1941-42 season with the primary objective of seasoning an inexperienced reserve team for next year.

The Ambridge secondaries scored a 29-11 win over their first opponents when they met Freedom.

Turtle Creek proved to be the next victim on the Ambridge roster as they bowed 23-21.

The secondary squad, composed of Kozakis, Nussbaum, Smith, Hopkins, Cottage, Narkovick, Bienkowski, Robinski, Lambert, Troup, Nairo, Bowan, Smalczewski, Johnston, Saule, Nelko, Hrynewich, Gargash, and Zubic, dropped their first game of the season to Monaca by one point, 23-22.

Before meeting their second setback in the form of a 32-18 Ellwood City win, the Bridgers took two in a row, Stowe and New Brighton, by 41-18 and 21-19 scores respectively.

New Castle decisoned the Ambridge preliminaries by a one basket lead, 22-20. The Bridgers' slump continued as they lost their next three contests to Beaver Falls, Aliquippa and Avonworth by scores of 31-13, 44-21, and 24-15 respectively.

Led by high-scorer Cottage, Ambridge broke their losing streak as they trounced New Brighton, 36-29.

The reserves lost their next contest to Ellwood City trailing by one point 21-20 as the final whistle blew.

The Bridgers' shifting zone defense failed to halt the New Castle secondaries as they piled up 21 points to Ambridge's 15.

Meeting Beaver Falls the Bridgers administered a one point defeat, winning out in the closing minutes of play, 28-27.

In the game which rang down the curtain on the season's activities, the Bridger reserves, outclassed by an experienced Aliquippa five, were swamped by a score of 30-16.

leadership, cooperation and loyalty.

We play and learn

Golf

The Ambridge Golf Team, coached by Leonard Rothermel, succeeded in gaining last year's Section VI, W. P. I. A. L. championship for the second consecutive year. Featuring such stalwarts as William Bowan, Paul Gutowski, Steve Furis, John Gabal, James Andras, Walter Juszak, and Mike Mazur, the Ambridge golfers succeeded in compiling a record of six wins against three losses participating both in W. P. I. A. L. competition and non-league matches. Individual golfing merit was acknowledged as William Bowan and Steve Furis, low stroke average golfers on the team, tied for twelfth place with scores of 88, while participating in the W. P. I. A. L. Medal Play Championship at the Westmoreland Country Club. Those participants who finished among the first seven qualified for the State High School Medal Play Championship at State College.

Although veterans William Bowan and Paul Gutowski have been lost by graduation and Furis and Gabal are engaged in national defense industries, Coach Rothermel is optimistic about this year's squad. Beside 1941 lettermen James Andras, Walter Juszak, and Mike Mazur, outstanding candidates for the 1942 team are Stanley Baran, Larry Doroshenk, Stanley Kost, Joe Meshanko, and Teddy Tabinowski.

Boys' Gym

The physical education program in the Ambridge Senior High School is one of interest to students and teachers alike. A highly diversified program of mass calisthenics, drill marches, tumbling, bar-belling, and such seasonal sports as football, basket ball, softball, wrestling, and boxing assure a varied roster of physical activity. Stressing the necessity of increased physical education for the youth of our country, Coach Rubenstein, director of our physical activities program, has recently introduced a program of elementary military marching drills and exercises.

With a total of eighteen classes a week and an enrollment of over five hundred and fifty boys, the gymnasium is a frequent proving ground for all new exercises or sports. Coach Rubenstein arouses interest in intramural sports and high school athletics by giving the boys a taste of these activities in the gym. The resulting interest in a gymnastic team, track team, and boxing efforts have been more than a little due to the purposeful and varied physical education program in our school.

as we become strong
and healthy.

A well-planned program

Yale-Princeton

This all-girls sports event has become the most looked-forward to affair on the term-time school calendar. Last year the tenth anniversary of the annual Yale-Princeton affair was celebrated, and between the halves of the annual clash the captains of the two teams presented Miss Marcela Spahr, the originator of the classic, with a large birthday cake that was bedecked with ten candles.

One of the most spectacular girls' basketball games ever presented to an all-girl audience in the Yale-Princeton classics was the one played on the "10th Anniversary Day." Princeton was leading with an 18-8 advantage at the termination of the first half, and things began to look rather blue for Yale. Finally, the Yale cagerettes rallied and were ahead 24-23 as the final canto began. However, Adelaide Kowalska, a Princeton starwart, made a foul shot and resultingly tied the score at 24-24. Shortly afterwards the whistle sounded and the game ended. Score, 24-24. Bowan and Kubia led their respective teams with 12 points each.

The Princeton sextet was composed of Dorothy Bowan, Adelaide Kowalska, and Anne Sepak, forwards; Helen Ciccone, Elizabeth Derkach, and Bertha Tedrow, guards. Yale's blue and white uniforms were donned by forwards Elizabeth Kubia, Joanne Kutchyn, and Mary Sapochak; guards Olga Jaroway, Dorothy Banks, and Helen Rosensteele.

Leading the cheers for the Princeton aggregation were: Betty Flemming, Marica Mann, Eileen Boggs, Sarah Barkley, and Joanne Mellott. The Yale cheering squad consisted of Charlotte Taylor, Anne Mae Pribulsky, LaVern Cochenour, and Dorothy Hovanec.

Recognition letters were awarded to Estelle Hogrefe, Helen Tomley, and Emma Blazier, who were the managers of the Yale-Princeton classic. The senior members of the playing teams and the cheering squads also received recognition letters for the services that they rendered.

Top Row—Pribulsky, Hovanec, Rizi, Cochenour, Miss Spahr, Miss Hughes, Mellott, Mann, Boggs, Barkley

Second Row—Shippam, Rosensteele, O. Jaroway, Szyfaryn, Banks, A. Jaroway, Sepak, Ceshia, Bowan, Kowalski, Hogrefe

Bottom Row—Spolarich, Sapochak, Kutchyn, Kubia, Ciccone, Tedrow, Hale Derkach

and complete education

Girls' Sports

The high school girls are given an opportunity to participate in a well-balanced program of activities during their gym classes. Body building exercises take up a major part of the gym period. There are the jumping jack, which is an excellent exercise for good posture, the swing and bend that strengthens the chest muscles, and then the C. C. C. to strengthen the stomach muscles. There are many others, but these are the most beneficial.

Other sports conducted according to the seasons of the year are mushball, soccer, volley ball, tumbling, the horse, and basketball. Basketball is the favorite winter indoor sport. Not every girl is a star player, but if she wishes she may play in the games held after school. The girls are not chosen according to homerooms or for skill, but teams are picked from the three individual classes. Each class consists of four teams, Red, Orange, Green, and Yellow. These games arouse the girls' interest in athletics.

The gym classes are conducted under the leadership of Miss Spahr and Miss Hughes. Sportsmanship is stressed in all classes and games. This gym hour twice every week, gives the girls a little recreation time and allows them to participate in healthful activities.

Top Row—Scarpone, Bonzo, Miss Spahr, Blough, Hrynovich
 2nd Row—Kellmer, Antonelli, Bober, Bercik, Larson, Sepak, Nesbitt, Solomich, Sotyrrou
 3rd Row—Dale, Ozimeck, Larabee, Szarfaryn, Wessley, Ceshia

Leaders' Club

The Leaders' Club is one of the finest girls' activities in the school. It trains its members for leadership. The officers of the Leaders' Club for 1942 are: Geraldine Larabee, president, Mary Ann Ozmeck, vice president, and Alfredda Safyran, secretary-treasurer. Initiation of new members was held on January 22 in Room 214. These girls were chosen by Miss Spahr and Miss Hughes, for their gymnastic ability and are the A-1 girls in all sports.

In the fall, when school begins, the girls are anxious to get started on soccer, so these girls aid Miss Spahr in organizing soccer teams. Intramural games are played after school and the "All 5 Star" soccer game closes the season. This year the girls played "Speed Ball" which is similar to soccer, but not quite so dangerous.

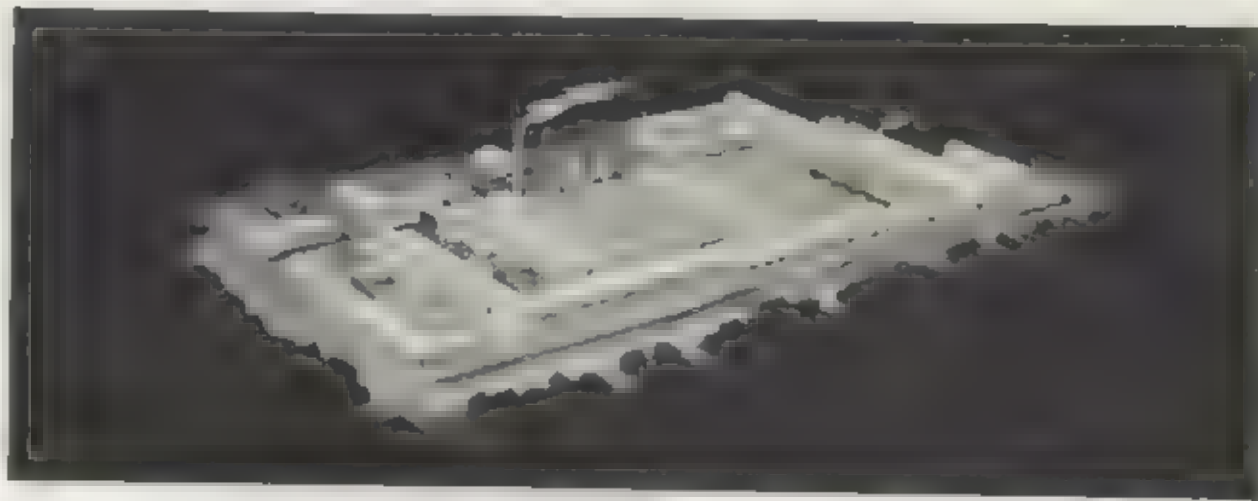

Along with old man winter comes basketball, which puts a new flame in the girls' enthusiasm. Leaders' Club girls are placed in charge of refereeing intramural games and also those played during the gym period.

Then towards spring, mushballs and bats are taken out doors to begin several weeks of good healthy exercise. During this season the Leaders' Club girls help the gymnastic instructors by umpiring class games.

Besides these seasonal activities the Leaders' Club has regular club meetings in which they are instructed in the fundamental rules of sports. They also plan events which occur at intervals during the school year. They held a dance, "The Leaders' Club Hop," in the study hall.

So, on through the year these girls do their share of leading and drilling in all sports, setting an example for the other girls, developing a healthy mind, a healthy body, and a sense of leadership.

is the ultimate result.

In Peace or War . . .
Corrosion Costs You
More than Wrought
Iron.

Equipment failures are costly in peace time; when the nation is at war, they may be disastrous. Time and manpower lost when production tools lie idle affect the course of war in a way that magnifies the original cost of failures many times. Similarly, the need for wrought iron's longer life is greater.

Like all other industry, we have responded quickly to the American fighting forces' need for all-out support.

Large quantities of wrought iron have been and are being manufactured for marine and defense industry uses. Because of its durability, wrought iron is being used for defense housing, army cantonments, and government building of all kinds. Increasing rail traffic calls for larger quantities of staybolt iron, forging billets, pipe and many other items.

By manufacturing these corrosion resistant genuine wrought iron products, the employees of A. M. Byers Company give their all-out support to the all-out efforts of the man in uniform.
